

# Lastavica Cruising - Port Locations

## Port of Šibenik

Our ship docks in the heart of Old Town Šibenik in front of the Hotel Bellevue. If you are staying at Hotel Bellevue, simply walk outside and you will see the ship!

## Port of Split

The ship docks at the Port of Split across from the Split Bus Station. As this port gets very congested, your Tour Leader will advise you of the exact ship location the night before embarkation.

## Port of Dubrovnik

The ship will dock in the Port of Dubrovnik in one of two docking areas: Across from Gruz Market -or- “Under the Bridge” (Most dr. Franjo Tuđman Bridge). Your Tour Leader will advise you of docking location the night before embarkation.
